*Congratulations on booking your package with workinayanapa.com
this is the start to your summer of a lifetime.*

This is some info on what you need to do before you arrive and what to expect when you arrive in Ayia Napa

What you need to do now.....

the important stuff

- ✓ Book flights – the earlier you book the cheaper they are – try <http://skyscanner.net> and look at indirect flights too as they can sometimes be cheaper.
Book Larnaca Airport NOT Paphos as it's 176 km from Ayia Napa and an expensive taxi ride or very long non direct bus journey!
- ✓ We need the following info – arrival date & time, flight number & departure airport.
- ✓ Arrange travel insurance as your EU Health Card (www.nhs.uk/ehic) will give you basic and emergency treatment only, not private treatment.
- ✓ Most workers use backpackers insurance as these cover a longer period and usually allow you to work.
- ✓ Locate your passport and check that it is in date and still valid for a minimum of 3 months when you return – keep a separate photocopy to take with you.
- ✓ Locate the paper part of your driving license as you will need this to hire a vehicle including a moped/quad. Check your license covers you to ride a moped!
Keep a separate photocopy to take with you.
(In Cyprus you drive on the left, same as the UK)
- ✓ Prescriptions – if you take any medication ensure you have enough for the duration of your stay as it may not be available in resort or could cost a lot more than a UK prescription.
- ✓ And finally.... **START SAVING**

Useful tips & advice...

and what you should / shouldn't pack

- ✓ Toiletries – just the basics, there are supermarkets in Ayia Napa so don't waste your suitcase space and risk paying excess baggage on your favourite shampoo.
- ✓ Travel adapters – not needed as plugs in Cyprus are same as UK.
- ✓ Clothes - decide what you want to take and half it. Ayia Napa is very casual. You will probably spend the summer in your flip flops or trainers and dressing up is changing out of your swimwear.
- ✓ Warm clothes if coming early season as it can be cold, especially at night.
- ✓ I pads, I phones, laptops and any other gadgets – advisable to have them insured before you leave incase of loss, damage or theft.
- ✓ Check you are on the best phone tariff when you are away as you don't want to return to a big bill. Most workers get a Cypriot phone and just use UK phone where free Wi-Fi is available.
- ✓ Advise your bank that you will be abroad so they don't block your card, check the charges on using your card abroad as ATM charges add up – some banks don't charge.

Your arrival in Ayia Napa...

what to expect

- ✓ Our rep will meet you either at the airport on arrival in resort. You will be advised of this beforehand. You will be given your rep's number and we ask you text before departing the UK so we know you are on the flight and can ensure everything is in place for your arrival.
- ✓ Your rep will then give you your workers wristband and you will be checked-in to your workers room. After this you will be introduced to your roommates and shown around. Our rep will always be available to make sure you feel totally at home in Ayia Napa.
- ✓ We will arrange your job trial within your first couple of weeks allowing you time to familiarise yourself with the resort and settle in, unless you wish to start work immediately.
- ✓ Be prepared to have your job trial spread out over a few days so the managers can make sure they are making the right decision in employing you as this can be difficult after only seeing you in the role for a few hours. Don't feel disheartened if you don't land the job on your first trial, you will gain skills and experience from each trial that you can take forward on to the next one. We are here for you every step of the way and won't rest until we have found each and everyone of you a job for the summer season.
- ✓ After successfully landing a trial you will begin work immediately. Some venues will pay you on a weekly basis, some on a monthly basis and some will pay you after each working shift.
- ✓ When your first months accommodation expires, we can arrange your second months stay in resort.

These are just some of the things you need to know.

If you have any questions please don't hesitate to contact us and we wish you a fantastic summer in

Ayia Napa.
